

Smarter CMAs for your
entire brokerage.

Built by a REALTOR®. Powered by real MLS® data.

FOR BROKERAGES & TEAM LEADERS

Give every agent the tools to win listings with confidence — starting today.

When your agents walk into a listing appointment armed with a sharp, MLS® data-backed CMA, they win more listings — and sellers remember it. Listli gives your entire team a professional edge, from their first client to every re-engagement conversation.

<10min
CMA from address to PDF

vs 90min
Traditional CMA time

∞
CMAs per agent, per month

THE PROBLEM WORTH SOLVING

✗ Without Listli	✓ With Listli
✗ 45–90 minutes per CMA, per agent ✗ Inconsistent quality across your team ✗ Agents rebuilding presentations from scratch every time ✗ Raw MLS® exports that overwhelm sellers ✗ Lost listings because the first impression didn't land ✗ New agents struggling without a proven framework	✓ Under 10 minutes for a polished, professional report ✓ Consistent, on-brand output across every agent ✓ One structured workflow — no reinventing the wheel ✓ AI-enhanced insights sellers actually understand ✓ Win more listings with stronger first impressions ✓ New agents onboard faster with a proven process

WHAT LISTLI MEANS FOR YOUR TEAM

Value for your brokerage	Value for each agent
✓ Raise the floor on presentation quality across all agents ✓ New agents onboard with structure and confidence from day one ✓ Reduce time lost to admin and reformatting ✓ Consistent, professional output that reflects your brand ✓ A meaningful recruiting advantage — agents want better tools	✓ Walk into every listing appointment with genuine confidence ✓ Reports sellers read, understand, and trust ✓ Unlimited CMAs — no cap on how many clients they serve ✓ Custom branding on every PDF: their name, their look ✓ Reach back to dormant leads with a compelling, data-driven reason

- ✓ Re-engage past clients with fresh, data-backed conversations

- ✓ Works on any device, anywhere — in office or in the field

HOW IT WORKS

STEP 01

Enter the property address

Listli pulls live MLS® data instantly. Search by address or enter specific MLS® numbers.

STEP 02

Customize your report

Select comps, refine AI-powered pricing insights, and add your agent branding — all in one clean flow.

STEP 03

Share with your client

Export a polished PDF or send it directly from within Listli. Ready for email, presentation, or print.

WHAT AGENTS ARE SAYING

"Listli has helped me present pricing conversations more clearly and professionally, which has made a real difference in winning listings. It's become a strong advantage in my listing presentations."

Caitlin McKenna

Royal LePage Nanaimo Realty

"Listli saves me a lot of time. The reports look professional, and my clients have been very impressed with how clear and well-presented everything is."

Mike Doughty

RE/MAX Camosun

"I need tools that are quick and easy to use without sacrificing quality. Listli helps me create beautiful CMAs faster, and gives me more confidence when presenting pricing to clients."

Megan Adnams

Engel & Völkers Victoria

💡 **Re-engage past clients — without guessing.** A fresh, MLS®-backed CMA gives agents a concrete, data-driven reason to reach back out to former clients considering selling. It opens conversations that feel helpful, not pushy — and turns dormant relationships into active listings.
